Period of Availability for Expenditure of WIOA Title I Funds:

Pursuant to 20 CFR 683.110, funds allocated by a State to a LWDA under subpart - A sections 128(b) and 133(b), for any Program year are available for expenditure only during that program year and the succeeding program year. Funds that are not expended by a LWDA in the two-year period described in paragraph (b) (1) of section 128 (b) and 133(b) of the Workforce Innovation and Opportunity Act shall be returned to the State. Funds so returned are available for expenditure by State and local recipients and sub recipients only during the third program year of availability. These funds may be used for statewide projects or distributed to other LWDAs, which had fully expended their allocation of funds for the same program year within the two-year period.

LWDAs that have fully executed a WIOA Title 1 Employment Services Intergovernmental Agreement (IGA), may begin spending against these allocations. Should there be any change to the grant award funding amounts, the allocations will be adjusted accordingly, and a revised ALERT will be issued.
