

Division of Developmental Disabilities

Year in Review

The Division of Developmental Disabilities (DDD) provides individuals and their families services and supports that are flexible, high quality, and member driven. Through support coordination, in-home support services, residential services, the Arizona Early Intervention Program and more, DDD strives to support individuals based upon their specific needs.

H.E.R.O.

In partnership with the Arizona Department of Housing and local agencies, the Housing, Employment, Resources & Opportunity (HERO) program helps eligible DDD members transition to more independent living through subsidized rental housing options. Nine leases have been signed between July and December 2017.

“Unsung Hero”

The *Arizona Capitol Times* selected DES Caseworkers for its 2017 Leaders of the Year, Unsung Hero Award. DDD support coordinators from the Chandler & Cholla offices accepted the honor on behalf of the agency. Congratulations DES!

AzEIP

The Arizona Early Intervention Program (AzEIP) joined DDD in 2017. The move supports DDD efforts with improved service and strengthened care coordination for the birth to 3 population.
