DDD DAY TREATMENT & EMPLOYMENT SERVICES SURVEY

Target Audience - Qualified Vendors and Providers

Transmittal Date - 03/23/2020

DDD is initiating targeted outreach to providers of specific DDD services to better understand member attendance/participation rates and staffing impacts as a result of COVID-19. To gain more information about the impacts of COVID-19 on Day Treatment and Employment programs, DDD urgently requests that you complete this survey as quickly as possible, preferably no later than Tuesday, March 24, 2020, by 5:00 p.m.

DDD is exploring the opportunity to provide additional funding based on survey participation and Vendor willingness to address service delivery issues for members in coordination with DDD. The results of this survey will allow DDD to determine how best to ensure member needs are addressed in the short-term and long-term; while still protecting the health & safety of your staff, members and their families. With the results from this survey, as well as information gathered from widespread outreach DDD is conducting with members that attend your programs, DDD intends to make an informed decision on what steps can be taken to address health & safety, member needs, and vendor concerns around financial viability of Day Treatment and Employment Services programs during this time period.

/DDD will be reaching out to assess capacity issues and other concerns for additional services in the days to come. DDD recognizes the need to work in close partnership with the vendor community during this unprecedented time. We thank you in advance for your participation as well as the continued dedication and commitment you are showing to DDD members.

Please note that this survey is only applicable to Day Treatment and Employment Services Providers.

The survey can be accessed via this link, https://www.surveymonkey.com/r/Day_Treatment_and_Employment_Survey.

Please contact DDDBusinessOperationsComments@azdes.gov with any questions or comments.
