

Division of Developmental Disabilities

POLICY NOTIFICATION

Early Notification Transmittal Date: Feb 25, 2026

Public Comment Transmittal Date: Apr 1, 2026

NOTIFICATION

DDD is proposing changes to the following policy:

Division Medical Manual, Policy 310-M Immunizations

Description of changes:

This document has been revised to align with AHCCCSs AMPM updates.

- Spelled out acronyms
- Added several new definitions
- Deleted policy statement outlining pharmacists and interns being allowed to administer immunizations to adults 19 years and older
- Added a policy statement in (A) (3) stating the Division covers vaccines recommended by the American Academy of Family Physicians and American College of Obstetricians Gynecologists when medically necessary
- Added a policy statement in (A) (4) stating the Division ensures services determined to be Medically Necessary are based on clinical appropriateness, scientific evidence, and standards of practice
- Added a list of benefits and services to (A) (6)
- Added additional immunizations in (A) (7) that the Division covers
- General formatting

PUBLIC COMMENT TIMELINE

Dates: Public comment will be open for 30 days beginning April 1, 2026 and closing May 1, 2026, 11:59 pm, Arizona time.

Instructions: (Complete instructions are located on the Division's [webpage](#))

- Comments may be submitted online by clicking [here](#).
- Do not include any information that is confidential, covered under HIPAA, or inappropriate for public disclosure.

If access to the online form is not available or if you have questions, please email the DDD Policy Unit at DDDpolicy@azdes.gov.

310-M IMMUNIZATIONS

REVISION DATES: ~~XX/XX/XXXX~~, 5/10/2023, 10/26/2022, 4/24/2019

REVIEW DATES: 1/3/2025, 2/3/2023

EFFECTIVE DATE: November 17, 2017

REFERENCES: A.R.S. § 32-1974, AMPM 310-V, AMPM 430

PURPOSE

The purpose of this policy is to outline describe covered immunization services for ~~DDD~~ members Division of Developmental Disabilities (Division) Members who are eligible for the Arizona Long Term Care System (ALTCS).

DEFINITIONS

1. "Adult" means an individual 18 years of age and older.
2. "Child" means an individual under the age of 18 years.
3. "Clinic Services Benefit" means medical services provided in an ambulatory clinic including:
 - a. Physician services,
 - b. Dental services,
 - c. Dialysis,
 - d. Laboratory,
 - e. X-ray and imaging services,

- f. Health assessment services,
 - g. Immunizations,
 - h. Medications and medical supplies,
 - i. Therapies,
 - j. Family planning services, and
 - k. Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) services.
4. “Immunization” means the administration of a vaccine to promote the development of immunity or resistance to an infectious disease.
5. “Medically Necessary” means a service given by a doctor, or licensed health practitioner that helps with health problems, stops disease, disability, or extends life.
6. “Outpatient Hospital Services” means services ordinarily provided in hospitals, clinics, offices, and other health care facilities by licensed health care providers.
7. “Preventive Services Benefit” means coverage is available for evidence-based Medically Necessary preventative services. Services must be recommended by a physician or other licensed

practitioner of the healing arts acting within the scope of authorized practice under State law to prevent disease, disability, and other health conditions, prolong life, and promote physical and mental health efficacy. Services for adults are based, in part, on guidelines from the U.S. Preventive Services Task Force. In addition to the services specified under section 4106 of the Affordable Care Act, Arizona covers, without cost-sharing, services specified under PHS 2713 which is in alignment with the Alternative Benefit Plans.

8. "Vaccine" means the preparation administered to stimulate the production of antibodies and provide immunity against one or several diseases.

POLICY

A. COVERAGE
