

# Father Matters

In partnership with SNAP CAN

Father Matters can assist with employment and training! We provide the support and tools for you to explore and navigate the job market.

- Attend one of our job readiness workshops (resume building, interview techniques, job clubs, job readiness 101) and our job fairs
- We specialize in assisting individuals whose criminal background is a barrier to employment
- We provide supportive services like bus cards, clothing, tools and equipment to assist with obtaining and maintaining employment

Do you need:

- Help finding a job?
- Training to get a job?
- Help with next steps in your future?

We can help!
