

Quality Child Care Powtoon

Text Only

Slide 1: Hi, I'm John. I am a working parent and struggle with finding quality child care.

Slide 2: How will I know that my kids will be taken care of when I'm at work? John sought help from DES and learned how to find quality child care.

Slide 3: John visited the Child Care Resource and Referral website. www.azchildcare.org

He learned how to find a quality child care provider that he is comfortable with.

He Found DES approved child care providers in his neighborhood!

Slide 4: Finally, some relief! Now, he was ready to meet potential providers.

Slide 5: John downloaded the quality child care checklist.

Slide 6: He used the checklist to guide him as he interviewed potential child care providers. "Hello" Quality

Slide 7: Hours of Operation. Cost of Care. Group Size.

Slide 8: The checklist also reminded John to ask about: Outdoor playtime, meals and snacks, health and safety, program and education, discipline, and family involvement.

Slide 9: John visited the DES Child Care webpage to see if he qualified for financial assistance to cover his child care costs. www.azdes.gov/childcare

Slide 10: Yay! John found a DES contracted provider for his children.

Slide 11: For help with finding quality child care, to see if you qualify for assistance, or to become a contracted provider, please visit our webpage www.azdes.gov/childcare
