

Friendly House

In partnership with SNAP CAN, Friendly House can provide services you need to obtain rewarding employment.

- Access quality educational opportunities, including high school equivalency (GED) classes, integrated basic education and skills training, English language acquisition for adults and citizenship classes
- Gain career training to become self-sufficient through workforce development programs
- Start on your path towards a college education through our College & Career Readiness Program

Do you need:

- Help finding a job?
- Training to get a job?
- Help with next steps in your future?

We can help!

All services are available at no-cost
