SCSEP - Informational Broadcast (IB)

IB #23-015

REVISED *Senior Community Service Employment Program Policy*
Manual

Effective June 16, 2023

This Informational Broadcast is to inform all *Senior Community Service Employment Program* (SCSEP) staff and interested parties that the revised *SCSEP Policy Manual* has been posted and became effective June 16, 2023.

A correction to the definition in the Glossary of the term Most-in-need was revised and other minor changes to meet accessibility were made.

Please note that the new *SCSEP Policy Manual* supersedes the previously posted *SCSEP Policy Manual*, which is hereby discontinued and should no longer be used. Please ensure that all SCSEP staff discard previous versions that may be in print, and that they instead refer to the revised SCSEP Policy Manual now posted, effective June 16, 2023.

The revised *SCSEP Policy Manual* is posted and available, to both staff and the public, under the *Statutes, Regulations, Policies, and Plans* tab, on the [SCSEP website](#).

All requests for clarification should be sent by your policy designee via email to [DERS Workforce Policy Team](#).
