REVISED *TANF Jobs Program Policy Manual*
Effective August 22, 2023

This Informational Broadcast is to inform all *Temporary Assistance for Needy Families (TANF) Jobs Program* staff and interested parties that the revised *TANF Jobs Program Policy Manual* has been posted and will become effective August 22, 2023.

A revision has been made in Chapter 10 of the Policy Manual, to update the Case Assignment policy in Section V(J).

Please note that the new *TANF Jobs Program Policy Manual* supersedes the previously posted *TANF Jobs Program Policy Manual*, which is hereby discontinued and should no longer be used. Please ensure that all TANF Jobs Program staff discard previous versions that may be in print, and that they instead refer to the revised TANF Program Policy Manual now posted, effective August 22, 2023.

The revised *TANF Jobs Program Policy Manual* is posted and available, to both staff and the public, under the *Policy Manual* tab on the [TANF Jobs Program webpage](#).

All requests for clarification should be sent by your policy designee via email to the [DERS Workforce Policy Team](#).
