QAIA TANF Jobs Program Monitoring
Effective Review Month November 2023

This Informational Broadcast is to inform all *Temporary Assistance for Needy Families (TANF) Jobs Program* staff and interested parties that Quality Assurance and Integrity Administration (QAIA) will be postponing the implementation of the new monitoring tool and new review period effective December 2023 for the month ending November 2023.

QAIA will continue to monitor files previously assigned to SDA2 as normal through the review month of October 2023.

The new TANF Jobs Program Case Review Monitoring Tool will be implemented in the review month of November 2023. QAIA will no longer be monitoring the billing monthly only. The new review period will start from the newest 99 status date or the contract start date of 8/22/23, whichever date is the most current, through the current review month starting in November 2023.
