This Informational Broadcast is to inform all Local Workforce Development Boards (LWDBs), service providers, and interested parties that the Arizona Job Connection (AJC) system is being updated to align with Training and Guidance Letter (TEGL) 10-23. The TEGL indicates that verification of work authorization can be deferred until an individual engages in services that necessitate such verification. Please refer to Exhibit 2000A: **Guidance - Work Authorization for Services Funded Under Title I of WIOA** for the guidance, and process. The Exhibit has been added to the [Title I-B Policy and Procedure Manual web page](#) under the tab “Exhibits Policy and Procedures” and the section listed as “Adult/Dislocated Worker/Youth Programs Exhibits General Guidelines,” Exhibit 2000A.

All requests for clarification regarding implementation should be sent to the [Title I Policy team](#).
