**Revised: Measurable Skill Gains Guide  
Adult, Dislocated Worker, and Youth Programs  
*Effective Immediately***

This Informational Broadcast notifies all Local Workforce Development Boards, service providers, and interested parties that the Measurable Skill Gains Guide has been revised for clarity and to reflect updates per [TEGL 10-16, Change 3](#). The guide is now posted on the Title I-B Policy and Procedure Manual webpage. Updates to the Guide include:

- For the Adult and Dislocated Worker programs, clarification that participation in a “training program for a secondary school program” includes a participant in the MSG indicator.
- For the Youth program, clarification that there is no funding requirement for inclusion in the measure, unlike the Adult or Dislocated Worker program.
- Updated link to the list of approved tests used in the National Reporting System for Adult Education.
- Addition of passing a subtest on a State-recognized high school equivalency examination to measure educational functioning level gain.

All requests for clarification regarding implementation should be sent to the [Program Oversight and Support team](#) at [wioaprogram@azdes.gov](mailto:wioaprogram@azdes.gov).
