Updated: ESA-1193A Veterans' Assessment Tool

Effective Immediately

This Informational Broadcast is to inform all Division of Employment and Rehabilitation Services staff, Local Workforce Development Boards (LWDBs), LWDB staff, and interested parties that **ESA-1193A Veterans' Assessment Tool** has been revised. Specific changes have been made to align with the U.S Department of Labor [Veterans' Program Letter No. 05-24](#). The revised form is now posted in the Arizona Department of Economic Security's (DES) Document Center.

The first two questions on the Veterans' Assessment Tool are to be used by ALL ARIZONA@WORK Job Center staff when initially meeting with applicants who disclose that they are veterans or spouse of a veteran to determine if the applicant is entitled to Veterans' Priority of Service for services in any employment and training program funded by the U.S. Department of Labor. For those applicants who are veterans and interested in services provided through the Jobs for Veterans State Grant (JVSG), ALL ARIZONA@WORK Job Center staff should address questions 3-18.

All requests for clarification regarding implementation should be sent to the [Title I Policy team](#) at TitleIPolicy@azdes.gov.
