*Effective Immediately***

This Informational Broadcast (IB) is to inform all Arizona Department of Economic Security (DES) staff, Local Workforce Development Boards and interested parties of updates to the *Training Program Monitoring Tool* (WIO-1061B). The updates align with the Workforce Arizona Councils Eligible Training Provider List (ETPL) Policy # 10, Section XI, which now requires that DES must monitor fifteen percent (15%) of the training providers in the State annually (between July 1 and June 30), instead of the previous requirement to monitor ten percent (10%) every two years among other updates (please refer to the updated form for all updates).

The updated form is now posted on the [DES Title I-B Policy and Procedure Manual webpage](#), under the **Exhibits - Policy and Procedures** tab and under the [DES Document Center webpage](#).
