

Frequently Asked Questions

LIHEAP Weatherization / Part I

QUESTION:

On the Abbreviated Weatherization Template for Equipment Repair/Replacement, is that HVAC only or does that include water heaters, evap. coolers, ranges, and refrigerators and is that strictly for LIHEAP?

ANSWER:

Any equipment necessary to heat or cool the home, e.g. HVAC, evaporative coolers. This is for LIHEAP Weatherization only.

QUESTION:

Total LIHEAP WX Benefit Amount.

Some of the program delivery costs are not job specific. The State's weatherization database only reports on-site job specific costs. What should we report?

ANSWER:

Enter actual job cost.

QUESTION:

Equipment Repair and/or Replacement Cost.

How do we calculate the allocated costs (non-job specific) for each funding source by job?

ANSWER:

Use actual job cost.
