

DEPARTMENT OF ECONOMIC SECURITY

Your Partner For A Stronger Arizona

DIVISION OF DEVELOPMENTAL DISABILITIES

***Sent on Behalf of DES/DDD Assistant Director***

*Please do not reply to this message*

**TRANSMITTAL DATE:** March 9, 2017

**TOPIC:** National Core Indicators (NCI) Staff Stability Survey

---

**Target Audience - Qualified Vendors who employ Direct Support Professionals Working with Adults**

**Friendly Reminder:** The Division of Developmental Disabilities (Division) would really appreciate you completing the **NCI Staff Stability Survey before June 30, 2017**. The survey is short, easy to complete and fully anonymous.

We want to emphasize that your feedback is important. Your survey answers will help the Division make sound policy decisions regarding provider contracts, rates, and other related issues. We also want to emphasize the importance of everyone's participation as the greater the response, the more accurate the data. Your agency's name will not be identified and results will only be reported in the aggregate. Arizona's results will be compared to other states and that information can help us continue developing a strong and stable direct care workforce.

In the near future, your agency will receive an email invitation to take part in the survey. If, for some reason, you do not receive this invitation, please call your District Network Manager and they can help you get the link to the survey. Before you call, please check your "spam" folder to see if the invitation may be there.

If you have any questions about this Provider Blast, you can contact Patrick Volle, Arizona's NCI Coordinator, Division of Developmental Disabilities, at [jpvolle@azdes.gov](mailto:jpvolle@azdes.gov).

***Thank you!***
