TOPIC: National Core Indicators (NCI) Staff Stability Survey

This is a reminder that the Division participates annually in the NCI Staff Stability Survey. Your participation helps the Division make sound policy decisions regarding provider contracts, rates, and other vendor issues. This link gives more information on the survey

Soon, your agency will receive an email invitation to take part in this important survey. The email will include a unique link to the survey and instructions on how to complete it. The survey should be completed by your Human Resources or Payroll staff. If you do not receive this invitation in the next few weeks, please check your “spam” folder for an email from snoyes@hsri.org. If you cannot find this invitation or did not receive it, please contact Dorothy at dhiersteiner@hsri.org

The survey is short, easy to complete, and anonymous. Your answers will not be identified and all results will be reported in aggregate.

In order to have accurate data on the workforce in Arizona, it is important that every agency employing DSP’s that serve adults complete this survey! We thank you in advance for your agency’s participation.
