

National Disability Employment Awareness Month

OCTOBER 2017

The Arizona Department of Economic Security (DES) recognizes the invaluable contributions individuals with disabilities make on Arizona's workforce.

DES' Rehabilitation Service Administration (RSA) is designed to support job seekers with disabilities to prepare for and obtain fulfilling and gainful employment.

In recognition of National Disability Employment Awareness Month (NDEAM), DES staff have partnered with local organizations and employers to share exciting employment opportunities with workers who have disabilities.

EMPLOYMENT SERVICES FOR JOB SEEKERS WHO HAVE DISABILITIES

VOCATIONAL ASSESSMENTS AND CAREER EXPLORATION

The DES Rehabilitative Services Administration (RSA) prepares clients who have disabilities for employment by assessing their goals as well as limitations. Clients work with their assigned counselors to explore employment opportunities, participate in relevant training and search for jobs with the ultimate goal of obtaining gainful employment.

SUPPORTED EMPLOYMENT

Vocational Rehabilitation (VR) counselors can help clients get acclimated to employment with supports that may include assistive technology, transportation assistance, interpreter services and more.

COLLEGE OR VOCATIONAL SCHOOL ASSISTANCE

RSA clients with specific employment goals may qualify for educational assistance to acquire the degrees and/or certifications needed to meet their employment goals.

ACTIVE PARTNERSHIP

VR counselors will partner with clients to develop an Individualized Plan for Employment (IPE) tailored specifically to meet their employment goals. Clients must be active participants in their plans in order to accomplish their goals.

WHO IS ELIGIBLE FOR VR SERVICES?

To be eligible, potential clients must:

- Have a documented disability (mental or physical)
- Have a disability that presents a barrier to employment
- Have the potential and desire to work
- Need services in order to work
