Pandemic Plan Attestation

On May 20, the Department requested that all qualified vendors complete an attestation related to your pandemic plan. We would like to thank everyone who completed that attestation. In response to feedback we received, a new attestation link was provided to your agency's authorized signatory on May 27. Due to these changes we need all qualified vendors to use the new link and complete that attestation (even if you completed the first one).

Please continue to check the [DDD COVID-19 webpage](#) for frequent updates and resources related to COVID-19 and its impact on the DDD community.
