1. Applies to Title I only. Individuals for whom it is unknown whether their employment in the 2nd quarter after exit was related to the training they received are included in this measure and are considered to be a negative outcome for the purposes of this calculation.

2. This indicator also includes those who entered into a training or education program for the Youth program.

3. Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

4. Barriers to Employment are determined at the point of entry into the program.

\* Cells are populated based on the combination of the corresponding specifications for that row and column. For example, the cell in the row Sex: Female and the column Employment Rate (Q2) Num will be the count of female participants in the Employment Rate (Q2) Numerator for that report period.
