

## PLANNING MEETING AND ASSESSMENT CHANGES IMPLEMENTATION

The Division has updated its [Planning Meeting and Assessment Changes web page](#). Updates include links to resources and helpful information about important changes taking effect on October 1, 2025.

The website includes links to all updated policies and exhibits going into effect on October 1, 2025. It also includes a summary of the key concepts associated with changes to planning meeting requirements and the HCBS Needs Tool assessment. Links to recordings of the public forums held on September 4 and 24/25 and the slide decks used to explain the changes are also available.

A section with resources for families who may need additional support following these changes has been added. These resources include a Community Resource Guide, a DES Services guide, and a link to the A to Z Arizona portal.

Finally, there is additional guidance for how the Notice of Adverse Benefit Determination (NOA) process will work for members who may experience a reduction or termination in service hours as a result of the new HCBS Needs Tool assessment.
