PURPOSE

The purpose of this document is to provide information for providers on how to access the clinical practice guidelines for the Division of Developmental Disabilities (Division) and its Administrative Services Subcontracted (AdSS) health plans.

A. ACCESSING DDD'S CLINICAL PRACTICE GUIDELINES

The Division has developed clinical practice guidelines for its providers. The Division reviews the guidelines at least annually. The Division's clinical practice guidelines may be accessed on the Division's website on the Current Qualified Vendors and Providers site. The AdSS's clinical practice guidelines may be accessed on the Division's website under DDD Health Plans Information site.
