Q3 SURVEY - ONE TIME FUNDS TO OFFSET PROVIDER COSTS

Target Audience - DDD Qualified Vendors

Transmittal Date - 02/15/2019

In anticipation of CMS approval, the Department is preparing for the distribution of one-time funding for eligible providers who complete the Q3 survey. To be eligible for this funding, the Qualified Vendor must have rendered one or more of the selective Home and Community Based Services (HCBS) that received a rate increase due to Proposition 206 passage and be a current DDD provider. See the following link for a list of selective services included for one-time funds:

<https://des.az.gov/sites/default/files/media/Adopted-Rates-7-1-2018-Updated.pdf>.

In order for an organization to qualify for the distribution of funds, it must complete and submit a response to the Q3 [ONLINE SURVEY AVAILABLE HERE](#). The survey must be completed and submitted by 5:00 PM (Arizona Time) March 8, 2019. Please [download the PDF version](#), if you would like to see the survey before completing it online.

All organizations, even those who are not eligible for one-time funds, are welcome to complete the survey. DDD is interested in understanding the situations faced by all our Qualified Vendors. However, only Qualified Vendors that have rendered one or more of the selective Home and Community Based Services (HCBS) that received a rate increase due to Proposition 206 passage, are eligible to receive the one-time funds.

This distribution of funds will be based on the total amount of paid claims for the selective HCBS identified for dates of service 10/1/2018 through 12/31/2018, as recorded by March 1, 2019. The distribution of funds will be proportionate to the total amount of paid claims during this time period.
