TOPIC: Regulation Rollback

Target Audience – All Stakeholders

The Department of Economic Security's Division of Developmental Disabilities is currently reviewing Title 6, Chapters 6 (Developmental Disabilities) and 18 (Office of Licensing, Certification, and Regulation) of the Arizona Administrative Code to determine whether any of the administrative rules are overly burdensome or unnecessary to protect members, public health, or public safety. As a part of this review, we are asking for input from the stakeholder community.

We request you to be as specific as possible as this will help determine our areas of focus to better serve the members.

For your convenience, Title 6, Chapters 6 and 18 of the Arizona Administrative Code can be found on the Arizona Secretary of State's web site at: http://apps.azsos.gov/public_services/Title_06/6-06.pdf and http://apps.azsos.gov/public_services/Title_06/6-18.pdf

Please submit your input using the web form listed below.
