Data is presented on a rolling twelve months basis.

---

1. This benefit amount is in addition to state and federally financed programs. Regular UI funded by the UI Trust Fund, whereas PUC and PUA are 100% federally financed.
2. Call center clients represent weekly filings and are not a true snapshot of individuals who are out of work.
3. Due to the incentive eligibility, benefits paid vary by state.
4. Weekly end dates and claimants on file are娜the of current week claims.
5. Totals are based on current systems reports. Data is subject to change as more numbers are provided to Department of Labor.
6. Total average calls handled includes in-house, call center, and outside vendor call centers.
7. Data is presented on a rolling twelve months basis.
