### PROVIDER FORUMS

Target Audience - DDD Qualified Vendors and Providers

Transmittal Date - 3/29/2019

The DES Division of Developmental Disabilities (DDD) in partnership with the Northern Arizona University Institute for Human Development will be hosting 10 forums across the state in April and May 2019. These forums are designed specifically for the provider community that deliver services to DDD members.

The three goals to be discussed at each of these forums include: (1) The existing service model for long term services and supports to identify what is working and what can be improved, (2) Alternate models for delivering these services and (3) Ideas related to Governor

Ducey's Executive Order regarding the protection of people with disabilities.
