TOPIC: Stakeholder Forum - Provide Input on Future Priorities - ALTCS Program

All Qualified Vendors

In order to provide input on the future priorities of the ALTCS program, AHCCCS is hosting two stakeholder forums in January 2016 regarding the Request for Proposal (RFP) for the ALTCS health plan contracts that serve elderly individuals and/or individuals with physical disabilities. Although the context of the forum is the RFP for individuals who are elderly and/or have physical disabilities, there will be some discussion on future priorities for the ALTCS program that crossover into the entire ALTCS program (including individuals with developmental disabilities). For example, AHCCCS would like stakeholder input on the following topics:

- End of Life Care
- Electronic Visit Verification
- Remote Health Monitoring
- Value-Based Purchasing

The agendas for those forums are posted on the website noted below.
