

Narrator:

Focus Area 3 is about empowering individual success. The goal is for members to choose their own goals and say what success means to them. The division will do this by working on the following objectives. By 2030, more members will decide their own daily schedules. The division will make sure all members live where they choose with the right supports. By 2030, members will have more opportunities to make friends in their community who are not just staff or family. The division will also support more members to find jobs in the community that pay at least minimum wage.
