TOPIC: National Core Indicators (NCI) Staff Stability Survey

Please consider participating in the National Core Indicators™ (NCI™) Staff Stability Survey. Your participation helps the Division make sound policy decisions regarding provider contracts, rates, and other vendor issues.

Your agency should have received invitation to participate in the Staff Stability Survey. This email invitation contained a unique link to the survey tool and instructions to complete the survey using the online data entry system, *ODESA*. The survey should be completed by your Human Resources or Payroll offices. If you did not receive this invitation, please check your “spam” folder for an email from snoyes@hsri.org. If you cannot find this invitation or did not receive it, please contact Dorothy at dhiersteiner@hsri.org

The survey is short, easy to complete and is anonymous. Your answers will not be identified and all results will be reported in the aggregate. You may use the following link to hear a previously recorded session that describes the survey and how to access it: <https://nasddd.adobeconnect.com/p7cu3gzwmn5/>
