### **The Division of Developmental Disabilities (DDD) Is Developing a Five-Year Strategic Plan**

I am very excited to let you know that DDD is developing a strategic plan to guide our activities from 2016 through 2020!

A strategic plan is very important to DDD as it provides the framework for our vision for the next five years. We are soliciting input in a thoughtful, purposeful manner so as to achieve a plan that is most impactful for our members and our organization.

DDD is very interested in your thoughts, ideas and recommendations. Some areas we would like you to consider include:

- What would you like DDD to work on?
- Do you have suggestions for DDD?
- How would you like to communicate with DDD?
- What is DDD doing well?
- How can we collaborate to positively impact our members?

We have scheduled meetings around the state. We have also scheduled meetings with members.

**You are invited!**

In order to make sure we have enough meeting space, we ask that you send no more than two representatives from your organization to a meeting. Also, please RSVP at 602-542-6836 or 1-866-229-5553 or you can e-mail [DDDStrategicPlan@azdes.gov](mailto:DDDStrategicPlan@azdes.gov).

For questions regarding this meeting or if accommodations or translators are needed, please call 1-866-229-5553 or email [DDDStrategicPlan@azdes.gov](mailto:DDDStrategicPlan@azdes.gov).

Sincerely,
